

Article #: 201-229 Wireless Antimicrobial mouse, white, USB

Features and Benefits

A Medical Grade Washable, Antimicrobial 2-button scroll wheel IP68 wireless Optical mouse with charging station. No batteries for replacement required.

Mouse only is fully submersible, antimicrobial, washable, with silver skin antimicrobial technology. Spill safe, easy cleaning.

Important: Charger Station and micro receiver are not waterproof and should only be cleaned with a dampened cloth (do not spray or submerge)!

Main benefits are:

- Mouse 100% sealed, washable and waterproof (NEMA 4X / IP68).
- Silver Antimicrobial protection (antimicrobial plastic reduces bacteria growth).
- Mouse can be cleaned with virtually any medical grade cleaner or disinfectant in use.
- Optical; 800 dpi resolution.

Included (not waterproof):

- Cabled Charging station; no batteries required. Charging time: 1 hr.
- Micro receiver: plugs in back charging station.
